

THE UNIVERSAL
**RAIL OR PANEL MOUNT
JUNCTION BOX**

EZ Solar's JB-3 is the ultimate junction box for exterior runs, with options for mounting on rail or on modules for railless systems. With a 5-port ground bar, self-leveling stainless steel clamps or brackets, sleek design and din rail, the JB-3 is **the exterior run box solar installers want.**

UNIVERSAL FIT

- Works with any type of rail or module
- Fast install with 5/16" hex head SS hose clamps or panel clamps
- Patented, UL1741, CSA C22.2 No 290 Nema 3R

SECURE CONNECTION

- Box securely fastens to rail or module with self-leveling stainless steel hose clamps or panel mount brackets
- Enter through east, south and west sidewalls
- Revolutionary Snap-in Din Rail

WATER RESISTANT

- Box raised up off of roof keeps it away from water
- Built-in weep holes for condensation
- Superior quality polycarbonate
