## KISAE Ultimate All-in-One Battery Charger

- Solar Input to trickle charge Alternator Input battery.
- Microprocessor controlled charging algorithm (Bulk, Absorption, Float) for Gel, Flooded, AGM and Lithium batteries

### MULTIPLE SOURCE INPUT CAPABLE BATTERY CHARGER

**AN ADVANCED** Battery Charging system that incorporates AC input, MPPT solar input or Alternator DC input.

Ideal for charging batteries in **Boats, RVs, and Trucks** from multiple sources.
