 - 2 years of 30% coverage of the cost of replacement

“**Xantrex LLC**” means the local legal entity of Xantrex LLC that you purchased directly or indirectly the products from.

“**Product**” means the Xantrex LLC or related branded battery product that you purchased from Xantrex LLC or through an authorized reseller or retailer.

1. Warranty Claims

This Contractual Warranty is provided by Xantrex LLC and covers defects in workmanship and materials in your Product. This warranty period lasts from the date of sale to the end user, unless otherwise agreed in writing (the "Warranty Period"). This Contractual Warranty is transferable to subsequent owners but only for the unexpired portion of the Warranty Period.

2. Warranty Coverage

If a product becomes defective within the Xantrex LLC contractual warranty period, one of the following options, as selected by Xantrex LLC, will be performed at no charge for materials or labor costs, unless this should be impossible or disproportionate. It is mandatory that customer notify Xantrex LLC of the Product defect within the Warranty Period, and provided that Xantrex LLC, or designated service partner, through inspection establishes the existence of such a defect and that it is covered by this Contractual Warranty:

- Repairing the product at the customer's location,
- Repairing the product at the customer's vehicle's distributor
- Repairing the product at the original equipment manufacturer
- Repairing the product at Xantrex LLC, or designated repair facility, or
- Exchange the Product with a Replacement Product (of equivalent value according to model and age)

Alternatively, at Xantrex LLC's sole discretion, cash compensation equal to the Product's residual value may be offered¹.

The term "disproportionate" applies in particular if the costs to Xantrex LLC were deemed unreasonable according to the following criteria:

- With reference to the value the product would have without the defect
- Taking into account the significance of the defect, and
- After consideration of alternative workaround possibilities available to the customer without significant inconvenience

3. Warranty Limitations

This Contractual Warranty does not warrant uninterrupted or error-free operation of the Product or cover normal wear and tear of the Product or costs related to the removal, installation, or troubleshooting of the customer's electrical systems. The warranty claims that relate to defects caused by any of the following factors are not covered by the Contractual Warranty:

- Improper Use or Non-compliance with installation, commissioning, operation, or maintenance instructions (i.e. not according to the operation & installation manual)
- Unauthorized modifications, changes, or attempted repairs,
- Vandalism, destruction through external influence and/or persons/animals
- Use in an unsuitable environment, including any environment or location that causes excessive wear and tear or dirt or dust or debris buildup within the system or that is difficult or unsafe for Xantrex LLC representatives to access
- Insufficient ventilation
- Installation in a corrosive environment
- Failure to observe applicable safety standards & regulations
- Damages during transportation or storage
- Force majeure, examples include, but not limited to: fire, flood, earthquakes, storm damage, overvoltage & lightning strikes
- Exposure to fire, water, snow, moisture, or liquid ingress (except for any such exposure to environmental conditions that your Product was specifically designed to withstand as indicated in the applicable specifications for your Product)
- Used as a component part of a product expressly warranted by another manufacturer
- If the original identification (trademark, serial number) markings have been defaced, altered, or removed
- Consumable components of any type are not covered, including but not limited to fans, fuses, and filters etc.
- Cosmetic shortcoming which do not impair the use of the product for the intended purpose i.e. supply of energy

Warranty claims also exclude:

- Damages arising due to the fact that the use of the product for the intended purpose is no longer possible or only possible with restrictions as a result of amendments to the statutory provisions applicable to the operation of the product made after the delivery of the product
- Compensation for damages related to loss of power production or business operation or any expenses incurred by customer towards repair & replacement of the product (including but not limited to labor, transportation, temporary power)
- Cost arising from changes to existing PV systems or building installations or vehicle or marine vessel installation and like
- Additional costs and expenses (i.e. shipping costs, travel, accommodation, meals, etc.) arising due to remote locations of the indicated geographies, including but not limited to islands and overseas territories

4. Warranty Return and Repair Process

Contact Xantrex Customer Service with a brief description of the error to evaluate & troubleshoot the issue while product is in still installed in the vehicle.

Please contact Xantrex customer service via email at customerservice@Xantrex.com or call Xantrex customer service at 1-800-670-0707 or visit our website at: <http://www.Xantrex.com>

i. Return Material Authorization (RMA)

After attempts to correct the problem with customer's assistance, if the Product must be returned to Xantrex LLC or designated service partner for replacement or repair, the customer must return it to the original place of purchase or obtain a Return Material Authorization (RMA) number and the correct return center "Ship To" address. Product shipments will be refused and returned at your expense if they are unauthorized or returned without an RMA number clearly marked on the outside of the shipping box or if they are shipped collect or if they are shipped to the wrong location.

When you contact Xantrex LLC to obtain service, please have your instruction manual ready for reference and be prepared to supply:

- The serial number and product code of your Product
- Information about the vehicle and lithium system installation date.
- Information about the failure and/or reason for the return
- Your purchase order number

Xantrex LLC reserves the right to refuse exchange requests for lack of proper documentation and information.

ii. Once the RMA has been issued for EXCHANGE:

Customer provides a credit card deposit for the full unit cost of the allegedly defective product. Xantrex LLC will generally ship an equivalent replacement product to the OEM or the distributor location within 48-72 hours. Standard ground shipping costs are covered by Xantrex LLC. Any expedited shipping costs will be the responsibility of the customer and billed accordingly. Uninstall the allegedly defective product from the vehicle by a trained technician, at the OEM or Xantrex LLC authorized service center. The allegedly defective product must be returned to Xantrex LLC in the same transport packaging that the replacement unit was provided in. Xantrex LLC will supply all labels and documentation for the return of the defective product. The allegedly defective product must be shipped back to Xantrex LLC (or service partner) within 10 working days after receiving the replacement product. If we do not receive the product within this timeframe, the unit cost will be charged to the customer (including shipping and handling fees). The allegedly defective product will be evaluated for cause. If the returned allegedly defective product is found by Xantrex LLC to be free of defects that would qualify it for repair or replacement under this Policy, Xantrex LLC will charge the customer the full cost of the product and may charge a flat-rate inspection charge for each product of \$250 USD, plus all the shipping and packaging costs.

iii. Once an RMA has been issued for REPAIR:

Xantrex LLC will arrange for the repair of the Product at the Original Equipment Manufacturer (OEM) or Xantrex LLC authorized service center. Only a trained technician should uninstall the allegedly defective product. Xantrex LLC will provide shipping instructions on how to package and label the shipment and provide the shipping address. Standard ground shipping costs are covered by Xantrex LLC both ways. Any expedited shipping costs will be the responsibility of the customer and billed accordingly. The allegedly defective product will be evaluated for cause, repaired, and shipped back to the OEM or Xantrex LLC authorized service center. If the returned defective product is found by Xantrex LLC to be free of defects that would qualify it for repair or replacement under this Policy, Xantrex LLC may charge a flat-rate inspection charge for each product of \$250 USD, plus shipping and packaging costs.

Visually evident damage caused by shipping or mishandling is to be reported to the freight carrier within 24 hours. Shipping damage is the responsibility of the freight carrier, not Xantrex LLC, and should always be duly noted with the freight carrier prior to accepting and signing for the Product

Any Products that are damaged during the returned shipping process are not covered by this warranty. Xantrex LLC assumes no liability for this damage.

5. Service Reimbursement

Xantrex LLC in its sole discretion may offer a service reimbursement for the services of a qualified installer performing specific Product replacement and re-commissioning under the terms of this warranty. Please contact your local Xantrex LLC office for details and application related to your Product.

6. Out of Warranty Service

If the warranty period for your Product has expired, if the unit was damaged by misuse or incorrect installation, if other conditions of the warranty have not been met, or if no dated proof of purchase is available, your unit may be serviced or replaced for a flat fee, as determined by Xantrex LLC in its sole discretion.

Please contact your local Xantrex LLC office to determine if out of warranty service is available for your Product.

To return your product for out of warranty service, contact Xantrex LLC Customer Service for a Return Material Authorization (RMA) number.

Payment options such as credit card or money order will be explained by the Customer Service Representative. In cases where the minimum flat fee does not apply, as with incomplete units or units with excessive damage, an additional fee will be charged. If applicable, you will be contacted by Customer Service once your unit has been received.
